

SPONSORSHIP OPPORTUNITIES

Each year Ontario's Colleges host a number of events across the province to assist high school students with their post-secondary educational planning. This year's event will be held at the Direct Energy Centre, located at Exhibition Place, in downtown Toronto on Tuesday October 27th, 2009.

Last year's event attracted more than 8,000 high school students, adult learners, teachers, guidance counselors and parents gathering information on college programs, as well as career specific information from professional organizations.
